

Run this query on the CW_Data database, using SQL Server Management Studio

1. Connect to the CAREWare database instance using SQL Server Management Studio
2. Expand *Databases*
3. Right click on *CW_Data*
4. Click *New Query*
5. Paste the below query in the field
6. Click *Execute*

Query:

```
SELECT *
FROM   cw_client
WHERE  (NOT EXISTS
(SELECT *
FROM   cw_map_client_provider
WHERE  (map_cl_cln_fk = cw_client.cln_pk)))
```
