The ADR Viewer shows aggregate counts of the clients being reported on the ADR and allows users to find clients easily to adjust any incorrect clinical data.

To view the ADR follow these instructions:

1. Click Reports.

© Customize Provider Summary Add Client Find Client Reports Rapid Entry Appointments My Settings System Information System Messages Administrative Options External Links Switch Providers Log Off

2. Click HRSA Reports.

3. Click ADR Viewer.

CAREWare Reports > HRSA Reports Help Back HRSA Reports RSR Client Report Create the RSR client level data file RSR Viewer View RSR files View the RSR Validation Report RSR Validation Report Create the ADR Client Report ADR Client Report ADR Viewer View ADR files ADR Validation Report View the ADR Validation Report 4. Click Choose File.

5. Select the client export file.
