

Control Name	Control Level	Control Location Type	Control Description
Vertical Line	all	Universal	Used to place a vertical line on a form
Label	all	Universal	Used to label other controls
Horizontal Line	all	Universal	Used to place a horizontal line on a form
Date	caseNoteLc	Universal	The date of the case note
Author	caseNoteLc	Universal	The employee that entered the case note
Note	caseNoteLc	Universal	The text of the case note
Assessment	diagnosisLc	Universal	The result of this diagnosis
Diagnosis Date	diagnosisLc	Universal	The date of this diagnosis
Comments	diagnosisLc	Universal	Comments about this diagnosis
Healthy Start PPUIID	healthyStartPage	Universal	The Healthy Start Client's PPUIID
Custom Combo Box	hiddenInList	Universal	
Custom Number	hiddenInList	Universal	
Custom Text	hiddenInList	Universal	
Custom Date	hiddenInList	Universal	
Encounter Grid	hiddenInList	Universal	A grid displaying information about client encounters
Custom Report	hiddenInList	Universal	A grid of custom report values for the client
Client Custom Tab Field	hiddenInList	Universal	
Custom Report Demographic Field	hiddenInList	Universal	A value returned from a custom demographic report
Custom Check Box	hiddenInList	Universal	
Image	hiddenInList	Universal	An image to be displayed on the form
Related Client PPUIID	hsRelationLc	Universal	The Related Client's Healthy Start PPUIID
Received	immunizationLc	Universal	Did the client receive this immunization?
History	immunizationLc	Universal	Does the client have a history of immunity to this disease?
Immunization Date	immunizationLc	Universal	The date of the immunization entered for the client
Comments	labLc	Universal	Comments about a client's lab
Lab Date	labLc	Universal	The date of a client's lab
Result	labLc	Universal	The result of a client's lab
Current	medicationLc	Universal	A summary of the client's current medications
Changed To	medicationLc	Universal	A summary of changes to the client's medications on the date of the form record
Sex at birth	page	Universal	The client's biological sex

Male to Male sexual contact (MSM)	page	Universal	Is the client at risk for contracting or transmitting HIV because the client is male and has had sex with one or more males?
Annual Screening	page	Universal	A panel summarizing the client's most recent annual screening records
White (Race)	page	Universal	Used to record that the client's race is white
Longitudinal Container (Service)	page	serviceLc	A service record can be entered through controls added to this container
Longitudinal Container (Relation)	page	relation	A container used to view or edit information about a client's relation
Quarter 2 Mental Health History	page	Universal	Does the client have a history of mental health treatment as of the second quarter of the year?
Other (Race)	page	Universal	Used to record that the client's race is not one of the other options
ADAP Enrollment Status	page	Universal	The current status of the client's enrollment in the AIDS Drug Assistance Program
HIV Status	page	Universal	The client's HIV status
Asian Subgroup (Race)	page	Universal	Used to specify a client's category of asian ancestry
Unknown (Ethnicity)	page	Universal	Used to record that the client's ethnicity is not known
Longitudinal Container (Lab)	page	lab	Lab records are entered and viewed using controls added to this container
American Indian or Alaska Native (Race)	page	Universal	Used to record that the client's race is American Indian or a Native Alaskan
Quarter 3 Substance Abuse Treatment	page	Universal	What substance abuse treatment did the client receive in the third quarter of the year?
Black or African American (Race)	page	Universal	Used to record that the client's race is black or African-American
Unique ID	page	Universal	The client's generated URN
Longitudinal Container (Pregnancy)	page	pregnancyHistory	A container used to add, edit, or view a pregnancy record
Non-Hispanic (Ethnicity)	page	Universal	Used to record that the client's ethnicity is not hispanic
Enrollment Date	page	Universal	The client's date of enrollment
Change/View ADAP Enrollment	page	Universal	Follow this link to change or view the client's ADAP enrollment information
Encrypted Unique ID	page	Universal	The client's encrypted URN

Change/View Annual Screening	page	Universal	Follow this link to change or view the client's annual screening records
Change/View Poverty Level	page	Universal	Follow this link to change or view the client's poverty level assessment records
Full Name	page	Universal	The client's full name
Vital Status	page	Universal	The client's vital status
Injection Drug Use (IDU)	page	Universal	Is the client at risk for contracting or transmitting HIV due to the use of injected drugs?
Perinatal Transmission (HIV Risk Factors)	page	Universal	Is the client at risk for contracting or transmitting HIV due to contact between a parent and a fetus during pregnancy?
Include On Label Report (Address)	page	Universal	Whether to include the client on the Mailing Label Report
Quarter 2 Mental Health Treatment	page	Universal	What mental health treatment did the client receive in the second quarter of the year?
City (Address)	page	Universal	The client's city of residence
Date Case Closed	page	Universal	The date the client's case was closed
Text Box	page	Universal	Used to enter a text value that will be stored with the form data record
Longitudinal Container (Immunization)	page	immunization	An immunization can be entered or viewed using controls added to this container
Hemophilia/Coagulation Disorder (HIV Risk Factors)	page	Universal	Is the client at risk for contracting or transmitting HIV because the client has hemophilia or another disorder affecting blood coagulation?
Hispanic Subgroup (Race)	page	Universal	Used to specify a hispanic client's place of ancestry or origin
Quarter 2 Substance Abuse Treatment	page	Universal	What substance abuse treatment did the client receive in the second quarter of the year?
Common Notes	page	Universal	A note shared among providers
Ethnicity	page	Universal	The client's ethnicity
Quarter 3 Mental Health Treatment	page	Universal	What mental health treatment did the client receive in the third quarter of the year?
Date of birth	page	Universal	The client's date of birth
HIV Date	page	Universal	The date that the client was diagnosed with HIV

Undetermined/Unknown, Risk not Reported or Identified (HIV Risk Factors)	page	Universal	Is the client at risk for contracting or transmitting HIV due to an undetermined or unknown risk factor?
Gender	page	Universal	The client's gender identity
Native Hawaiian or Other Pacific Islander (Race)	page	Universal	Used to record that the client's race is Native Hawaiian or Other Pacific Islander
Master Date	page	Universal	Sets the date of the form data record
Longitudinal Container (Screening)	page	screening	Screening records are entered and viewed using controls added to this container
Pacific Subgroup (Race)	page	Universal	Used to specify a client's category of pacific ancestry
Longitudinal Container (Custom Subform)	page	custSubform Lc	A custom subform record can be added by controls added to this container
Longitudinal Container (ICD9 Diagnosis)	page	ICD9diagnosis	An ICD9 diagnosis can be entered or viewed using controls added to this container
Client ID	page	Universal	A user-entered client identifier
Quarter 4 Mental Health History	page	Universal	Does the client have a history of mental health treatment as of the fourth quarter of the year?
Heterosexual Contact (HIV Risk Factors)	page	Universal	Is the client at risk for contracting or transmitting HIV due to sexual contact between members of different sexes?
Change/View Insurance Assessment	page	Universal	Follow this link to change or view the client's annual insurance assessment records
Asian (Race)	page	Universal	Used to record that the client's race is asian
Street (Address)	page	Universal	The client's street address of residence
Box	page	Universal	Used to mark a group of related controls on a page
Longitudinal Container (ICD10 Diagnosis)	page	ICD10diagnosis	An ICD10 diagnosis can be entered or viewed using controls added to this container
Quarter 4 Substance Abuse Treatment	page	Universal	What substance abuse treatment did the client receive in the fourth quarter of the year?
Longitudinal Container (Medication)	page	medication	Information about a client's medications can be viewed using controls added to this container
HIV Date Estimated	page	Universal	Is the client's HIV diagnosis date estimated?
DOB estimated	page	Universal	Is the client's date of birth estimated?
AIDS Date Estimated	page	Universal	Is the client's AIDS diagnosis date estimated?
State (Address)	page	Universal	The client's state of residence
Zip Code (Address)	page	Universal	The client's zip code of residence

Eligibility Status	page	Universal	The client's vital enrollment status
Hispanic (Ethnicity)	page	Universal	Used to record that the client's ethnicity is hispanic
Quarter 4 Mental Health Treatment	page	Universal	What mental health treatment did the client receive in the fourth quarter of the year?
Annual Poverty Level Assessment	page	Universal	A panel summarizing the client's most recent poverty level assessment record
Annual Insurance Assessment	page	Universal	A panel summarizing the client's most recent annual insurance assessment record
Quarter 2 Substance Abuse History	page	Universal	Does the client have a history of substance abuse treatment as of the second quarter of the year
Change/View Medications	page	Universal	Follow this link to change or view the client's medications
Quarter 1 Substance Abuse History	page	Universal	Does the client have a history of substance abuse treatment as of the first quarter of the year
Change/View Eligibility	page	Universal	Follow this link to change or view the client's eligibility to receive Ryan White-funded services
Quarter 1 Substance Abuse Treatment	page	Universal	What substance abuse treatment did the client receive in the first quarter of the year?
Longitudinal Container (Case Note)	page	caseNote	A case note can be entered through controls added to this container
Last Name	page	Universal	The client's last name
First Name	page	Universal	The client's first name
Receipt of Transfusion of Blood, Blood Components, or Tissue (HIV Risk Factors)	page	Universal	Is the client at risk for contracting HIV due to receiving blood or other tissue originating from another person?
Quarter 4 Substance Abuse History	page	Universal	Does the client have a history of substance abuse treatment as of the fourth quarter of the year
Longitudinal Container (Vital Signs)	page	vitalSignsLc	A vital signs record can be entered through controls added to this container
Middle Name	page	Universal	The client's middle name
Phone Number (Address)	page	Universal	The client's phone number
ADAP Enrollment Date	page	Universal	The date that the client was enrolled in the AIDS Drug Assistance Program
Enrollment Status	page	Universal	The client's enrollment status
County (Address)	page	Universal	The client's county of residence

Quarter 3 Substance Abuse History	page	Universal	Does the client have a history of substance abuse treatment as of the third quarter of the year
Date of death	page	Universal	The client's date of death
Longitudinal Container (Screening Lab)	page	screeningLab	Screening lab records are entered and viewed using controls added to this container
Quarter 1 Mental Health History	page	Universal	Does the client have a history of mental health treatment as of the first quarter of the year?
Quarter 1 Mental Health Treatment	page	Universal	What mental health treatment did the client receive in the first quarter of the year?
AIDS Date	page	Universal	The date that the client was diagnosed with AIDS
Quarter 3 Mental Health History	page	Universal	Does the client have a history of mental health treatment as of the third quarter of the year?
Eligibility Status	page	Universal	The current status of the client's eligibility to receive Ryan White-funded services
Delivery Date	pregnancyHistoryLc	Universal	The delivery date of this pregnancy
Prenatal Begin Date	pregnancyHistoryLc	Universal	The date of the client's first prenatal care visit for this pregnancy
Prenatal ART Date	pregnancyHistoryLc	Universal	The date that the client was prescribed ART medication for prenatal care
ART Counseling ?	pregnancyHistoryLc	Universal	Was the client counseled on ART medication for this pregnancy?
Number of Prenatal Visits	pregnancyHistoryLc	Universal	The number of prenatal care visits for this pregnancy
HIV Status of Newborn	pregnancyHistoryLc	Universal	The HIV Status of the client's newborn infant
First day of LMP	pregnancyHistoryLc	Universal	The date when the client's last normal menstrual period began
Pregnancy Outcome	pregnancyHistoryLc	Universal	The outcome of this pregnancy
ART Taken ?	pregnancyHistoryLc	Universal	Was the client given ART medication for this pregnancy?
ART Offered ?	pregnancyHistoryLc	Universal	Was the client offered ART medication for this pregnancy?
Related Client	relationLc	Universal	The selected client that is related to the client with this form record
Relation Race Is Native American	relationLc	Universal	Whether the selected client's race is Native American
Relation Race Is Pacific	relationLc	Universal	Whether the selected client's race is Pacific
Relation Sex Assigned At Birth	relationLc	Universal	The sex that the selected client was assigned at birth
Relation Race Is Black	relationLc	Universal	Whether the selected client's race is Black

Relation Date Of Birth	relationLc	Universal	The date that selected client was born
Relation Race Is Asian	relationLc	Universal	Whether the selected client's race is Asian
Relation Client ID	relationLc	Universal	The selected client's Client ID
Relation Hispanic Ethnicity	relationLc	Universal	Whether the selected client's ethnicity is hispanic, not hispanic, or unknown
Relation Type	relationLc	Universal	The way that the primary client is related to the selected client
Relation Enrollment Date	relationLc	Universal	The selected client's date of enrollment
Relation Race Is White	relationLc	Universal	Whether the selected client's race is White
Screening Lab Date	screeningLabLc	Universal	The date of a client's screening lab
Comments	screeningLabLc	Universal	Comments about a client's screening lab
Result	screeningLabLc	Universal	The result of a client's screening lab
Titer	screeningLabWithTiterLc	Universal	Amount of antibodies in a client's blood for this screening lab
Screening Date	screeningLc	Universal	The date of a client's screening
Comments	screeningLc	Universal	Comments about a client's screening
Result	screeningLc	Universal	The result of a client's screening
Service Units	serviceLc	Universal	The quantity of this service that was given to the client
Service Date	serviceLc	Universal	The date of this service
Service Billing End Time	serviceLc	Universal	If third-party billing is enabled, the end of the time period billed for this service
Service Price	serviceLc	Universal	The price of this service
Service Billing Start Time	serviceLc	Universal	If third-party billing is enabled, the beginning of the time period billed for this service
Service Contract	serviceLc	Universal	The contract that funds this service
Service Billing Employee	serviceLc	Universal	If third-party billing is enabled, the employee who is billing this service
Service Total	serviceLc	Universal	The calculated total amount for all units of the service that were provided
Pulse	vitalSignsLc	Universal	The client's pulse
Date	vitalSignsLc	Universal	The date of this vital signs record
Temperature	vitalSignsLc	Universal	The client's temperature
Height	vitalSignsLc	Universal	The client's height
Systolic BP	vitalSignsLc	Universal	The client's systolic blood pressure
Diasystolic BP	vitalSignsLc	Universal	The client's diasystolic blood pressure
